EVENT DETAILS

The YCI Sporting Clays Shoot is a longstanding tradition for our donors and supporters. Whether you are a veteran or brand new to sporting clays, all are welcome. This year, we are offering a morning and afternoon shoot, each with 15 stations. The YCI Sporting Clays Shoot offers a safe, fun and competitive way to enjoy shooting with old and new friends. Don't have a gun? We will have a limited number of loaner guns available on a first come, first served basis. Also, enjoy the opportunity to bid on over 100 items during our live and silent auctions.
